

**You're a Grand Old Hall,**

You look smart standing tall  
And forever in peace may you stand.

You're the emblem of

The land I love

The home of the free & the brave.

Ev'ry citizen here gladly give up a cheer  
For the memories in this grand hall.

Should auld acquaintance be forgot  
Keep your pride in this grand ole hall.

*Lyrics by Marcia Bolin*

*Sung to the tune of "You're a Grand Old Flag"*

*Hall Restoration Fundraiser – February 31, 2009*
