

Our Historic Brandon Auditorium

Needs A New Roof

Will You Help ?

History Center Closet**

The Brandon Auditorium is Under Attack

Our beloved, historic Brandon Auditorium is under attack from above. After patching the original 89-year-old roof too many times to count, we are no longer able to keep out the melting snow and rain water resulting in ever increasing damage to the interior walls and even the auditorium flooring. It's time for a complete replacement of the roof.

A roofing contractor is scheduled to replace the entire roof this spring at a cost of \$70,000. The new roof will have a 30-year warranty and should help preserve the building for many more years.

Everyone in the community uses the Historic Brandon Auditorium at one time or another. The Brandon History Center, a 501(c)(3) tax exempt organization, is helping the City to fund this project. We all need to pull together and help keep this building in good repair.

Donations should be designated as "Auditorium Roof Repair" and are tax deductible. Checks should be made payable to Brandon History Center and either mailed to the Brandon History Center, PO Box 514, Brandon, MN 56315 or dropped off at the Brandon City Office.

Recognition will be given to donors over \$100 on a special plaque which will be prominently displayed in the entry to the Auditorium. Categories include Platinum (\$5,000 and over), Gold (\$2,500 to \$4,999) and Silver (\$1,000 to \$2,499) and Bronze (\$100 to \$999). Donations of any size will be greatly appreciated.

If your business or organization would prefer to hear from one of the History Center volunteers in person, please contact Mike Cleary (320-290-4490) or Carol Ramler (507-281-4189).

Thank you for helping us preserve our Brandon City Auditorium for everyone in the community to enjoy for many more years to come.
